Market Equilibrium, Government Policy & Elasticity

The Theory of the Firm

Public Goods, Common Resources, and Externalities

Sep 8, 2024

Rahul Ashok Jeyalakshmi

has successfully completed the online, non-credit Specialization

Microeconomics Principles

In this Specialization, you'll gain vital skills including understanding consumer and firm behavior, analyzing different types of market structures, applying economic principles to everyday life, and using supply and demand diagrams to better comprehend the impact of changes in supply and demand on price and quantity.

Dr. José J. Vázquez-Cognet
Clinical Professor, Department of Economics
Coordinator of E-Learning, School of Liberal Arts and Sciences
University of Illinois at Urbana-Champaign
Urbana, IL 61801

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
