3 Courses

Learning Experience Design: Orientation to the Profession

Learning Experience Design: Theories and Frameworks

Learning Experience Design: Development and Evaluation

Sep 1, 2024

Rahul Ashok Jeyalakshmi

has successfully completed the online, non-credit Specialization

An Introduction to Learning Experience Design (LXD)

In this specialization, you demonstrated a comprehensive understanding of the field of Learning Experience Design (LXD) and developed skills in learning design, analysis, and evaluation. The specialization also focused on practical learning experience design activities and on the tools and technologies that are relevant to the field. You completed various assessments with the help of immersive experiences, where you applied the knowledge and skills learned throughout the course to build your professional portfolio and advance your career.

Rebecca Quintana
